Hey, so you wanna play
You see my game's on fire
But we don't play the same game
You see I'm greedy for speed

And neutral means nothing to me
So if that's your desire
We'll get along famously
But one thing I like to lead

I light 'em up before the motor starts
I go so fast that I could never stop
Look on the hood but you don't know what I got
I'm a moving violation, baby, hot, hot, hot, hot

Highway, that's my scene
I may look like a blur when you see me
And I mean, I'm flirtin' with disaster, I'm a master of
G's
Going faster, gonna pass ya', gonna pass some dust
your way, your sayin'

You got skills, somethin' to prove
But you're in my way so you better move
One foot on the peddle but never on the brake
So don't give me a reason, I got a license to race

I light 'em up before the motor starts
I go so fast that I could never stop
Look on the hood but you don't know what I got
I'm a moving violation, baby, hot, hot, hot, hot

I light 'em up before the motor starts
I go so fast that I could never stop
Look on the hood but you don't know what I got
I'm a moving violation, baby, hot, hot, hot, hot

I light 'em up before the motor starts
I go so fast that I could never stop
Look on the hood but you don't know what I got
I'm a moving violation, baby, hot, hot, hot, hot
