I can't get enough of you baby
I can't get enough of you baby, yes it's true, baby yes
it's true

When ever we kiss I get a feeling like this
I get a wishin' that there was two of you
My heart cries out, more Baby
It feels so nice, I wan't your arms to
wrap around me twice

I can't get enough of you baby
I can't get enough of you baby, right around, baby right
around
When you had to go
I hated the thought
I only wished that the night was twice as long

My heart cries out, more baby
I love you so much, I wish that there was more of you to
touch

I can't get enough of you baby (can't get enough of you
baby)
I can't get enough of you baby, yeah!
