Get your motor runnin' California Interstate 1  
Pacific coast party  
If you got to work today get yourself a new vocation  
Pacific coast party

You don't have to mind father time mother nature  
Get yourself in line take your time  
And watch it slip away

Just quit your bitchin' bite your tongue save it for a  
rainy day, son  
Pacific coast party  
Get your ticket pack your bags come and join the  
celebration  
Pacific coast party

If you wanna find peace of mind come and get it  
Get yourself in line take your time  
And watch it slip away  
Pacific coast party

Hey I heard somebody say work harder than you play  
But I never missed a single day's party  
Word I never heard a word I turned the other way  
Pacific coast party

You don't have to mind father time mother nature  
Get yourself in line take your time  
And watch it slip away

Hey I heard somebody say work harder than you play  
But I never missed a single day's party  
Word I never heard a word I turned the other way  
Pacific coast party

Hey I heard somebody say work harder than you play  
But I never missed a single day's party  
Word I never heard a word I turned the other way  
Pacific coast party

Pacific coast party  
(Pacific coast party)
