Why don't you condone it?
Why don't you set me free?
I don't think you own it
'Cause it belongs to me
And if I ever want to take it back
You try to lie and hide it
Look whose laughing last

Everyone around me thinks they know
They try to see it
But I don't let it show
Stay out of my business
Keep your hands off my door
I got a bed, I'd rather sleep on a floor
Screamin' in my head, I don't like it anymore

(Ohh, ohh)
No place to go
(Ohh, ohh)
Leave me alone
(Ohh, ohh)
I don't want to know

Nobody ever seems to understand
Everyday I wake up
And do the best that I can
I got my problems
You got yours too
You try to label me
Have you, ever looked at you?

Nobody's perfect
I really think you do
And if you are
Why am I standing next to you?

(Ohh, ohh)
No, place to go
(Ohh, ohh)
Leave me alone
(Ohh, ohh)
I don't want to know

Spin my wheels and try to figure it out
What's goin' on?
And what's it all about?
Where did I go wrong?
I think, I'm havin' my doubts
About what you said
And what you're gonna do

I'm so pissed off
I blame it on you
I've done it all
There's nothing left for me to do
What's goin' on piss on you

(Ohh, ohh)
No, place to go
(Ohh, ohh)
Leave me alone
(Ohh, ohh)
Don't want to know
(Don't want to know)

Take it or leave it
