(Why Can't We Be Friends?)
(This is a small rap Steve does near the end of the live version)

Ah, now check this out,
Once upon a time, not to long ago
I came to Texas (or "your town")
To do a fucking show
Flippin' in the house, check it out, check it out
'Cause that's what it's all about
Now everybody scream and shout
Well let me know what know what you think and what
you feel
What's going on in your mind
Hanging with Smash Mouth
And we'd fuck it up everytime You know.
