Hey cousin, I know you
Not long ago in the city zoo
You haven't changed
You still ain't standin' up straight

And I been thinkin' 'bout what we've become
Of what we have, and just look what we've done
Still making fire out of sticks and stones
Standing united all together alone

Do the crawl, do the crawl, do the crawl
Back into the woods
Do the slide, do the slide, yeah you and me
Back into the sea

Hey sister how you been
Last time you saw me I was wearing a fin
Times haven't changed, I'm still swimmin'

Got to the top to get myself some air
I realized that it was better down there
It's like a jungle but there ain't no laws
No helping hands just grubby paws
Do the crawl, do the crawl, do the crawl
Back into the woods
Do the slide, do the slide, yeah you and me
Back into the sea

My naked eye saw a fly in a jar with a hole
Didnt live to tell his kid exactly where not to go
I saw the puppet string screwed into his head
I heard the puppet laugh
I felt the bitter sweat
I can smell the smoke
As well as a rat
I can teach that dog
I can learn from a cat
Throw it in reverse
So I can hit it rightt
I can taste the blood

Do the crawl, do the crawl, do the crawl

Back into the woods
Do the slide, do the slide, yeah you and me
Back into the sea
