Ali is the shelter of the destitute  
Ali Master Ali Master Ali in every breath  
Hundreds and Thousands times say Ali in every breath  
Ali in our hearts  
Ali in our breaths  
Ali all around us  
Ali in our eyes  
The resting place of lovers is Ali's way  
May Allah Keep All of Us In Ali's Shelter  
Dearest of Mohammad Ali is the Light on Light (Noor Ala Noor)
