Stop your runnin' about  
It's time you straighten right out  
Stop your runnin' around  
Making problems in town

Aha-a Rudy, a message to you  
Rudy, a message to you

You're growing older each day  
You want to think of your future  
Or you might wind up in jail  
And you will suffer

Aha-a Rudy, a message to you  
Rudy, a message to you

Stop your runnin' about  
It's time you straighten right out  
Stop your runnin' around  
Making problems in town

Aha-a Rudy, a message to you  
Rudy, a message to you
