Suzanne beware of the devil, don't let him spoil your  
heart  
Suzanne beware of the devil, don't let him put us apart

Did you say we got to part  
Or did you say let's go for a walk  
Did you say you got someone new  
Or did you say you like the colour of hue  
I don't know what's goin' on  
You're not the girl I used to know  
You're turnin' my world upside down  
Brandin' me with a frown - e-ey

Suzanne beware of the devil, don't let him spoil your  
heart  
Suzanne beware of the devil, don't let him put us apart

Did you say you're leaving town  
Or did you say you're stickin' around  
Did you say you're serious  
Or did you say it's all a bluff  
Why do you wanna change our dreams  
All the things we've planned and schemed  
Do you really wanna go  
Or is it just an overnight glow - e-ey

Suzanne beware of the devil, don't let him spoil your  
heart  
Suzanne beware of the devil, don't let him put us apart,  
no no

Did you say we got to part  
Or did you say let's go for a walk  
Did you say you got someone new  
Or did you say you like the colour of hue  
I don't know what's goin' on  
You're not the girl I used to know  
You're turnin' my world upside down  
Brandin' me with a frown - ey-ey

Suzanne beware of the devil, don't let him spoil your

heart - yeah-hey

Suzanne beware of the devil, oho, don't let him put us  
apart ....
