Love, it is driving me crazy
And if I am loosing my mind
Feelings troubles spirit I go mad
I am sharing my heart between
Reason and happiness without
Any real hopes so just for one night

My life fallen over
When you gave me a hug I Did
Not plan anything but
Today I got hooked on you
I didn't plan anything
Today I'm hooked on you

You did not promise me anything
it ain't a probem I'm happy with
As long as you don't mind hugging me
And I'm looking at the loving face
you have, but you pout and I delay
The time I will tell you-I love You

My life Fallen over
When you gave me a hug I did
Not plan anything but
Today I got hooked on you
I didn't plan anything
Today I'm hooked on you

Because - already - into the smoke - of heaven
Will appear one - of the gateways of hell
But no one knows - even God - where the place is
You only own the pit
If you trust me - Throw that sack - away and if not
Free me and stab me

Behind this single door

Maybe you will think I was not
Kind of a lost soul but
I'm only gone mad because of love
I am not a lost soul
Just mad cuz loved You
