Immortal youth  
Victim of its own adoration  
By soiled souls your dreams are bloody wasted  
And your wonderful wings are scabbed  
Disturbing youth  
Always used older's poeple alibis  
Because they dont want us to oust them all  
And then you will fall so far if you rebel

Dead, alive but only in appearance  
Alive, dead in advance, I chose my clan  
And Freedom doesn't have a bleeding price  
And I'd do anything for a super blast

Fascinating youth  
Even your feelings become intrusive  
This is what most of our parents feel  
When they wanna keep fullpower for them  
Immortal youth

I know no one never trusted in us  
But anyway, since birth we are the blood  
That will regenerate an outdated world

Dead, alive but only in appearance  
Alive, dead in advance, I chose my clan  
And freedom doesn't have a bleeding price  
And I'd do anything for a Super Blast

And this is only the youth  
That they put as prostitutes  
And this is only the youth  
That they send to another war  
And this is only to the youth  
They say we're so unpleasant  
But please just do not make me laugh

It is just because of you

Dead, alive but only in appearance  
Alive, dead in advance I chose my clan  
And freedom doesn't have a bleeding price  
And I'd do anything for a super blast
