

Coronas, The "Faith In Fate"

Put the past away, save it for a sunny day
Right now there's nothing I can do, except stare right
back at you
Put the future aside, I'll try my best to make it right
Right now it just seems so obscene to picture you
without me

And I hate how much we've cried
Our break was our greatest mistake
But if we try, I'll do everything I can to keep my faith in
fate

Forget everyone else; I've tried to convince myself
That it was only time we lost but I'm not as strong as I
thought
Forget who we've been with, the thought just makes me
sick
Forget our year apart, this is where we are

But I hate how much we've cried
Our break was our greatest mistake
But if we try, I'll do everything I can to keep my faith in
fate

But we've cried
Our break was our only mistake
I know we'll try and I'll do everything I can to keep my
faith in fate
Oh, Everything I can to keep my faith in fate
