Like a warm summer day  
Like a warm day in May  
Babe, you make me feel so hot

Like a small butterfly  
Like a bird in the sky  
Feels like a star that I'm not

You tell me things that I never knew (ay-ow)  
So what am I supposed to do? (ay-ow)  
Running around like a little kid (ay-ay-ow)  
One Two Three and I'm here here here

Like a dragonfly flying high in the sky  
There is light above and beyond you and I  
Like a dragonfly flying high in the sky  
There is light above you and I

Like a small paradise  
Like a scent of a spice  
Yes I guess I understood

Like a flower so sweet  
Like a lover of me  
Boy you make me feel so good

You tell me things that I never knew (ay-ow)  
So what am I supposed to do? (ay-ow)  
Running around like a little kid (ay-ay-ow)  
One Two Three and I'm here here here

Like a dragonfly flying high in the sky  
There is light above and beyond you and I  
Like a dragonfly flying high in the sky  
There is light above you and I

Like a dragonfly flying high in the sky  
There is light above and beyond you and I  
Like a dragonfly flying high in the sky  
There is light above you and I

Like a dragonfly flying high in the sky  
There is light above and beyond you and I  
Like a dragonfly flying high in the sky  
There is light above you and I

Like a dragonfly flying high in the sky  
There is light above and beyond you and I  
Like a dragonfly flying high in the sky  
There is light above you and I
