Tears of angels are falling  
Children's mothers are calling  
And I'm not even looking down  
And Missy's demons hit the ground

Little babies are crying  
Pretty ladies are trying  
To bring some order to their worlds  
The lord is with you little girl

And I don't know what to do  
But sit here and wait for the end of the world

And I don't know what to do  
But sit here and wait for the end of the world

And I don't know what to do  
But sit here and wait for the end of the world

And I don't know what to do  
But sit here and wait for the end of the world
