I've had enough of this feeling  
All I need is a chance  
And I know that my dreams come true

If you'd only believe it  
Cos I know this romance  
Is made for me and you

I can't wait any longer  
I've been hanging around  
All my life just to be with you

You know my love's getting stronger  
Don't know what to say  
Just to make you stay

So Get Out  
From my fantasy  
I dun wanna spend my time  
Living my dreams

Get Out  
Oh why can't you see  
That you're all that I want  
And all that I need

I can't control my emotions  
Cos the feeling I got  
Is the feeling I just can't hide

You're my sweetest devotion  
I just hope and I pray  
That you'll always be by my side

I can't wait any longer  
I've been hanging around  
All my life just to be with you

You know my love's getting stronger  
Don't know what to say  
Just to make you stay

So Get Out  
From my fantasy  
I dun wanna spend my life  
Living my dreams

Get Out  
Oh why can't you see  
That you're all that I want  
And all that I need
