You make me smile
When i'm here beside you
Having fun whenever i'm around you
Nothing can keep us, keep us apart
I'm Happy In Love
So Happy In Love

Above the clouds
Across the highest mountian
You lift me up
As long as were together
Nothing can keep us, keep us apart
I'm Happy In Love
So Happy In Love

Now I know for sure
I'll give myself to you
Oh honey i'm so

Happy, happy, happy in love
Happy in Love
Oh boy I think i've fallen
Happy, happy, happy in love
Happy in Love
Oh boy my heart is calling
Happy, happy, happy in love
I'm so in Love

You make me sweat
You are my skin fever
And this moment
Will always be forevr
Nothing can keep us, keep us apart
I'm Happy In Love
So Happy In Love

Now I know for sure
I'll give myself to you
Oh honey i'm so

Happy, happy, happy in love

Happy in Love
Oh boy I think i've fallen
Happy, happy, happy in love
Happy in Love
Oh boy my heart is calling
Happy, happy, happy in love
I'm so in Love

Oh you make me Happy
Happy In Love
Yes, you make me Happy
Oh, you make me Happy

Oh boy I think i've fallen
Happy, happy, happy in love

Happy, happy, happy in love

Happy, happy, happy in love
Happy in Love
Oh boy I think i've fallen
Happy, happy, happy in love
Happy in Love
Oh boy my heart is calling
Happy, happy, happy in love
I'm so in Love

Happy, happy, happy in love
I'm so in love!
