Won't be cryin' over you...
Though my heart is black and blue!
I'm gonna make a new start
Trying to heal, to heal my broken heart

It is time (it is time)
To go (to go)
With my bags I'm gonna quit the show
Take a breath (take a breath)
Keep my head up high and walk out the door

Life is cool (cool)
Just say (just say)
Well I see it in a different way
I believe (i believe)
That you'd soon be crawlin'
Beggin' for more

Bridge:
Now I'm standing on my own
I'll be better off alone

Chorus:
Won't be cryin' over you...
Though my heart is black and blue!
I'm gonna make a new start (make a new start)
Try to heal my broken heart
There's no way I'm turning back
I don't need another heart attack
I'm gonna make a new start (make a new start)
Try to heal, to heal my broken heart

We had joy (we had joy)
And found (and found)
In my heart I thought you were the one
Of mistakes (of mistakes)
Now I've learned my lesson
Its all I can say

Bridge:
Now I'm standing on my own

I'll be better off alone

Chorus:

Won't be cryin' over you...
Though my heart is black and blue!
I'm gonna make a new start (make a new start)
Try to heal my broken heart
There's no way I'm turning back
I don't need another heart attack
I'm gonna make a new start (make a new start)
Try to heal, to heal my broken heart

Try to heal, to heal my broken

heal, to heal my broken (x2)

To heal my broken heart!

Chorus:

Won't be cryin' over you...
Though my heart is black and blue!
I'm gonna make a new start (make a new start)
Try to heal my broken heart
There's no way I'm turning back
I don't need another heart attack
I'm gonna make a new start (make a new start)
Try to heal, to heal my broken heart
