Spent the night in a broken car
My broken self hasn't come to far
From all the things that I wish I said
Filling space in my broken head

I'll throw it all away
All today
Nothing's changed everything's the same
I walked away for today
Now pretend everything's ok

I'll throw it all away
All today
Nothing's changed everything's the same
I walked away for today
Now pretend everything's ok

Listen to all the birds today
All the things that they have to say
The simple things that I learn to love
A darkened cloud in the sky above

I'll throw it all away
All today
Nothing's changed everything's the same
I walked away for today
Now pretend everything's ok

I'll throw it all away
All today
Nothing's changed everything's the same
I walked away for today
Now pretend everything's ok

I'll throw it all away
All today
Nothing's changed everything's the same
I walked away for today
Now pretend everything's ok

I'll throw it all away

All today
Nothing's changed everything's the same
I walked away for today
Now pretend everything's ok

All today
All ok
All today
