Wish I could be the one  
The one who could give you love  
The kind of love you really need  
Wish I could say to you  
That I'll always stay with you  
But baby that's not me  
You need someone willing to give their heart and soul  
to you  
Promise you forever, baby that's something I can't do  
Oh I could say that I'll be all you need  
But that would be a lie  
I know I'd only hurt you  
I know I'd only make you cry  
I'm not the one you're needing  
I love you, goodbye

I hope someday you can  
Find some way to understand I'm only doing this for  
you  
I don't really wanna go  
But deep in my heart I know this is the kindest thing to  
do  
You'll need someone who'll be the one that I could  
never be  
Who'll give you something better  
Than the love you'll find with me  
Oh I could say that I'll be all you need  
But that would be a crime  
I know I'd only hurt you  
I know I'd only make you cry  
I'm not the one you're needing  
I love you, goodbye

Leaving someone when you love someone  
Is the hardest thing to do  
When you love someone as much as I love you

Oh I don't wanna leave you  
Baby it tears me up inside  
But I'll never be the one you're needing  
I love you, goodbye

Baby, it's never gonna work out  
I love you, goodbye
