Chorus:

Boys Boys be my boy
I wanna fell your body
Boys Boys be my boy
Tonight I'm ready honey
Boys Boys be my boy
I wanna be your lover girl
Be my lover boy

Hot summer time
Always something on my mind
A kind of magic in the air

I'm on the run
To a sunny paradise
With crowded beaches everywhere

I'm just a girl who's looking for some fun
It's time to get things started
So common everybody

(Chorus)

Hot summer night
Always makes me loose control
It feels like heaven now I'm free

And all the boys
If you want feel the heat
Just come along and play with me

I'm just a girl who's looking for some fun
It's time to get things started
So common everybody

Chorus:

Boys Boys be my boy
I wanna feel your body
Boys Boys be my boy
Tonight I'm ready honey
Boys Boys be my boy
I wanna be your lover girl

Be my lover boy
