Like a warm summer day
Like a warm day in May
Babe, you make me feel so hot

Like a small butterfly
Like a bird in the sky
Feels like a star that I'm not

You tell me things that I never knew (ay-ow)
So what am I supposed to do? (ay-ow)
Running around like a little kid (ay-ay-ow)
One Two Three and I'm here here here

Like a dragonfly flying high in the sky
There is light above and beyond you and I
Like a dragonfly flying high in the sky
There is light above you and I

Like a small paradise
Like a scent of a spice
Yes I guess I understood

Like a flower so sweet
Like a lover of me
Boy you make me feel so good

You tell me things that I never knew (ay-ow)
So what am I supposed to do? (ay-ow)
Running around like a little kid (ay-ay-ow)
One Two Three and I'm here here here

Like a dragonfly flying high in the sky
There is light above and beyond you and I
Like a dragonfly flying high in the sky
There is light above you and I

Like a dragonfly flying high in the sky
There is light above and beyond you and I
Like a dragonfly flying high in the sky
There is light above you and I

Like a dragonfly flying high in the sky

There is light above and beyond you and I
Like a dragonfly flying high in the sky
There is light above you and I

Like a dragonfly flying high in the sky
There is light above and beyond you and I
Like a dragonfly flying high in the sky
There is light above you and I
