I've had enough of this feeling
All I need is a chance
And I know that my dreams come true

If you'd only believe it
Cos I know this romance
Is made for me and you

I can't wait any longer
I've been hanging around
All my life just to be with you

You know my love's getting stronger
Don't know what to say
Just to make you stay

So Get Out
From my fantasy
I dun wanna spend my time
Living my dreams

Get Out
Oh why can't you see
That you're all that I want
And all that I need

I can't control my emotions
Cos the feeling I got
Is the feeling I just can't hide

You're my sweetest devotion
I just hope and I pray
That you'll always be by my side

I can't wait any longer
I've been hanging around
All my life just to be with you

You know my love's getting stronger
Don't know what to say
Just to make you stay

So Get Out
From my fantasy
I dun wanna spend my life
Living my dreams

Get Out
Oh why can't you see
That you're all that I want
And all that I need
