Seperate Denominations.....All with different names  
Coorporate Money.....Corruption is their game  
Churches, buildings.....Aren't what their made of  
Jesus, the people.....We are the bricks of Clay

Yeah we should all stand together Woah oooh oh  
We all know that Jesus is our common ground  
We all stand 'cause of his Love Woah oo ooooooh  
Jesus is our foundation

Minor Problems.....Won't let them knock us down  
Servants, Teachers.....Our hearts dedicated to the  
truth  
Human knowledge.....Limited to what we learn  
God's Will, God's Word.....Keep it and last forever
