I try to be the man I am
In times of broken lives
And shattered dreams and plans
Standing up to fight
The pressures and demands

Staring at the knife
Holding in your hand
What used to be your life

This world is crazy, crazy
My dreams are fading, fading
I want my life, I want my life

You fight your fucked up holy wars
Fire Anti-Christ
Jesus will come down
And help us win tonight
Now how should I feel?

I think I feel alright
So tell me where to aim
I'm blinded by the light

This world is crazy, crazy
My dreams are fading, fading
No one can save me, save me

I want my life
I want my life
I want my life
I want my life

And when I wake up you'll be here
And it will be the way it was
The way it was

I want my life
(In times of broken lives)
I want my life
(In times of broken lives)
I want my life

(In times of broken lives)
