New orders, are coming from up high
Controllers, have taken to the sky
This captivating heart is racing
Reaching for a line
Get closer, to what you had in mind

I just need you to let go
I just need you to let go

Holding on
To the past and what has come and gone
You must die to be reborn

I feel it in my bones
The soldiers, retreating to their rooms
This captivating has a waiting
Madness of the soul
Get closer, the what you're looking for

I just need you to let go
I just need you to let go

Holding on
To the past and what has come and gone
You must die to be reborn

I just need you to let go
I just need you to let go
I just need you to let go
I just need you to let go

Holding on
To the past and what has come and gone
You must die to be reborn

I just need you to let go
I just need you to let go
