Words, so secure screamin like an alarm
Are you trying to wake me up?
Now whats this you're tryin to pull
Is it my arm?
I do believe you're trying to wake me up

Now, could it be, maybe
It's not me, sleeping
Could it be, maybe, you?
Awakening
Could it be, maybe
It's not me, sleeping
Could it be maybe you
Awakening

Sleep this time tonight
Sleepwalk in the light
Sleep this time Tonight
Sleepwalking out of sight

Now here I am
But I'm just sleepwalking
Yes, here I stand
But I guess I'm just sleeptalkin for myself

Now, could it be, maybe
It's not me sleeping
Could it be, maybe, you?
Awakening
Could it be, maybe
It's not me sleeping
Could it be maybe you
Awakening

Sleep this time tonight
Sleepwalk in the light
Sleep this time tonight
Sleepwalking out of sight
(x2)

One day, this world will see me at the horizon

One day, from a distant light
And just before I stand to face my love,
I'll turn around
And with a smile I'll say my goodbyes
Just one last goodbye
Goodbye

Goodbye,
Goodbye

Sleep this time tonight,
Sleepwalk in the light,
Sleep this time tonight
Sleepwalk in the light,
Sleep this time . . . tonight

One day, one day, one day. . .
(fade out)
