You're ugly  
But only in the sunlight  
Remind me  
There's nothing good in this life

This pain will hide  
What I've become!  
This place will make you numb

Nameless, stainless faces all the same  
Look into their eyes and give in to their  
Hatred painted, burn into your brain  
Let it in your heart and let them see your shame

You're ugly  
But only in the meantime  
Remind me  
Nothin' ever feels right

This pain will hide  
What I've become!  
This place will make you numb

Nameless, stainless faces all the same  
Look into their eyes and give in to their  
Hatred painted, burn into your brain  
Let it in your heart and let them see your shame

(Let them see your shame)  
Burnin' down around me  
Bringin' in another struggle of me  
Tell me another time...

Ugly...

Nameless, stainless faces all the same  
Look into their eyes and get into their  
Hatred painted, burn into your brain  
Let it in your heart and let them see your shame

You're ugly...
