"One Step From Paradise"

We live like strangers

Playing for time

Both of us reachching out for something

Hiding our feelings

Afraid what we'll find

Someday I know we'll find the answer

If it takes a little time

If doesn't really matter

Don't throw it all away

'cause we're

(Chorus)

One step from paradise

So close but still so far away

One step from paradise

Together we'll find paradise some day

Lost in the shadows

We search for a light

Hoping the candle burns forever

(Section B)

If it takes a little time

If doesn't really matter

don't let it slip away

'cause we're

(Chorus)

(B Section) (Chorus
