All of my friends says I'm insane!
Living my life like John Wayne Gacy!
Most of the time I'm just a guy
Who's working hard, who's having fun
BUT IN THE BACKGROUND WE ALL KNOW
THERE IS A BLACK SIDE SHAKING OUR SOULS

I love my girl but I just hate when she stares
To other guys when I'm here.
I love my girl but I just hate when she stares
To other guys so I kill em.

There are somethings we can't explain.
Some weird feelings burning my brain.
Killing young men is my domain.
I want to do it again.
One of those days I'll go in jail!
Ending my life like John Wayne Gacy!
I'll will be fucked by other guys
That's a good fact, cause I love that

I love my girl but I just hate when she stares
To other guys when I'm here.
I love my girl but I just hate when she stares
To other guys so I kill em.

There are somethings we can't explain.
Some weird feelings burning my brain.
