All in a day she saw the face in the mirror lie  
To her dismay she saw the child that was in her die  
And she cried over night 'cause what she sees she  
doesn't like

I'm twisting  
(Twisting)  
I'm turning  
(Turning)  
I'm aching  
(Aching)  
And it's burning in one day  
In one day

Just let me float  
Just let me drift on by  
(Drift on by)  
No more  
No pain  
I don't have tears to cry  
(Tears to cry)

I'm twisting  
(Twisting)  
I'm turning  
(Turning)  
I'm aching  
(Aching)  
And it's burning in one day  
In one day

I'm twisting  
(Twisting)  
I'm turning in one day  
In one day  
(In one day)

In one day  
In one day  
(In one day)

In one day  
In one day

In one day  
In one day  
Just one day  
Take me away
