When the daylight's gone and you're on your own  
And you need a friend just to be around  
I will comfort you  
I will take your hand and I'll pull you through  
I will understand

And you know that I'll be at your side  
There's no need to worry  
Together we'll survive through the haste and hurry

I'll be at your side when you feel like you're alone  
And you've nowhere to turn  
I'll be at your side

If life's standing still and your soul's confused  
And you cannot find what road to choose  
If you make mistakes  
(Make mistakes)  
You can't let me down  
(Let me down)  
I will still believe  
(Still believe)  
I won't turn around

And you'll know that I'll be at your side  
There's no need to worry  
Together we'll survive through the haste and hurry

I'll be at your side if you feel like you're alone  
(Feel like you)  
Or you've nowhere to turn  
(Nowhere to)

(Side)  
I'll be at your side  
(I'll be at your side)  
I'll be at your side  
(I'll be at your side)  
I'm right at your side  
I'll be at your side

You know that I'll be at your side  
There's no need to worry  
Together we'll survive through the haste and hurry

I'll be at your side if you feel like you're alone  
(Feel like you)  
You've got somewhere to go  
(Somewhere to go)  
'Cause I'm right there

I'll be at your side  
There's no need to worry  
Together we'll survive through the haste and hurry

I'll be at your side when you feel like you're alone  
You've got somewhere to go 'cause I'm at your side

I'm right at your side  
Yeah  
I'll be there for you  
You know it  
I'm right at your side  
I'll be right there  
Yeah  
Yeah  
Yeah
