Maybe deep down inside you don't believe it
Your wailing wall
It isn't weeping at all
And you're not worthy of adoration
You're scared that somebody somewhere's gonna find
the burst pipe
And as fast as they bow down they'll leave you behind

But baby be brave 'cause what's the point of it all
What's the point of it all
Yeah
Baby don't blow it
Tell me what's it all for if you're not terrified to fail
Are you terrified to fail

Way far down below you don't feel it
Yeah
Everyone knows but we don't believe it
The pain of a pop star
You're breaking my heart

But baby be brave 'cause what's the point of it all
What's the point of it all
Yeah
Baby don't blow it
Tell me what's it all for if you're not terrified to fail

(Confide in me)
Yeah
(Tell your story)
Are you terrified to fail
(It's your fear that makes you worthy)

I know what you're doing 'cause God I've been tempted
You are drowning the special to immortalize the rise
And what's the point of it all

Baby be brave 'cause what's the point of it all
What's the point of it all
Yeah
Baby don't blow it

Tell me what's it all for if you're not terrified to fail

(Confide in me)

(Tell your story)

Are you terrified to fail

(It's your fear that makes you worthy)

Yeah

I am terrified to fail

(Confide in me)

(Tell your story)

Are you terrified to fail

(It's your fear that makes you worthy)
