I've seen this place a thousand times
I've felt this all before
And every time you call I've waited there as though you
might not call at all

I know this face I'm wearing now
I've seen this in my eyes
And though it feels so great I'm still afraid that you'll be
leaving any time

We've done this once and then you closed the door
Don't let me fall again for nothing more

Don't say you love me unless forever
Don't tell me you need me if you're not gonna stay
Don't give me this feeling
I'll only believe it
Make it real or take it all away

I've caught myself smiling alone just thinking of your
voice
And dreaming of your touch is all too much
You know I don't have any choice

Don't say you love me unless forever
Don't tell me you need me if you're not gonna stay
Don't give me this feeling
I'll only believe it
Make it real or take it all away
Yeah
Yeah
Yeah

We've done this once and then you closed the door
Don't let me fall again for nothing more

Don't say you love me unless forever
Don't tell me you need me if you're not gonna stay
Don't give me this feeling
I'll only believe it
Make it real or take it all away

(Make it real)

(Say you love me)

Don't tell me you need me if you're not gonna stay

Don't give me this feeling

I'll only believe it

Make it real or take it all away

(Make it real)

Take it all away

Or take it all away
