All alone
Staring on
Watching her life going by
When her days are grey and her nights are black
Different shades of mundane
And the one eyed furry toy that lies upon the bed has
often heard her cry
And heard her whisper out a name long forgiven but
not forgotten

You're forgiven not forgotten
You're forgiven not forgotten
You're forgiven not forgotten
You're not forgotten

A bleeding heart torn apart
Left on an icy grave in their room where they once lay
face to face
And nothing could get in the way
But now the memories of a man are haunting her days
And the craving never fades
She's still dreaming of a man long forgiven but not
forgotten

You're forgiven not forgotten
You're forgiven not forgotten
You're forgiven not forgotten
You're not forgotten

Still alone
Staring on
Wishing her life goodbye
As she goes searching for the man long forgiven but
not forgotten

You're forgiven not forgotten
No
No
No
No
You're forgiven not forgotten

You're forgiven not forgotten
You're forgiven not forgotten

You're forgiven not forgotten
Yeah
Yeah
Yeah
Yeah
Yeah

Forgiven
Not forgotten
You're forgiven not forgotten
You're not forgotten
You're not forgotten
No
You're not forgotten
