"Goodbye"

I never thought one day you'd be gone away forever
more
No one can say
No one could explain why you were taken
Oh
Where are you now
Could I get there somehow

It's time to say goodbye
Block out the sun and pack up the sky
Don't let my tears start to make you cry
Each time I try to say my goodbye
Try to stop asking why

Tell me it's true
Tell me there is something more
Another time for love
One day I'll know
One day I'll be there
Will you be waiting
Oh
Where are you now
Could I get there somehow

It's time to say goodbye
Block out the sun and pack up the sky
Don't let my tears start to make you cry
Each time I try to say my goodbye
Try to stop asking why

Try to stop asking why
Yeah
Yeah
Hey
Ay
No
No

Where are you now
Could I get there somehow

It's time to say goodbye
Block out the sun and pack up the sky
Don't let my tears start to make you cry
Each time I try to say my goodbye
(Try to stop asking why)
Try to stop asking why
Why
Try to say my goodbye
Why
Why
