Some say the heart is just like a wheel
When you bend it you can't mend it
And my love for you is like a sinking ship
My heart is on that ship out in that ocean

They say that death is a tragedy
It comes once and then it's over
But my one only wish is for that deep dark abyss
For what's the use of living with no true lover

And it's only love
And it's only love that can break a human being and
turn him inside out
That can break a human being and turn him inside out

When harm is done no love can be won
I know it happens frequently
What I can't understand
Please God hold my hand
Is why should've it happen to me

And it's only love
And it's only love that can break a human being and
turn him inside out
That can break a human being and turn him inside out

Some say the heart is just like a wheel
When you bend it you can't mend it
And my love for you is like a sinking ship
My heart is on that ship out on that ocean

And it's only love
And it's only love

And it's only love
It is only love

And it's only love
And it's only love

And it's only

It is only love
