It's time to change  
Throw out the books and start again  
Break all the rules  
Fall on your face  
Don't be ashamed

You can't waste more time 'cause you've been gone for  
far too long  
Trapped in his arms  
Safe without harm  
Follow your heart don't be afraid

You think that you're okay but I don't believe in what  
you say  
(What you say)  
You think that it's too late but it's not good  
Good enough for you

Don't hide away 'cause I know that you've got what it  
takes  
I believe you can be what you wanna be

Let yourself go  
Don't worry about a thing  
(Worry 'bout a thing)  
Breaking the chains  
So hard to begin  
Follow your heart don't be afraid

You think that you're okay but it's not good  
Good enough for you

Don't hide away 'cause I know that you've got what it  
takes  
I believe you can be what you wanna be

Don't hide away 'cause I know that you've got what it  
takes  
I believe you can be what you wanna be

Hide away

I know that you've got what it takes  
I believe you can be what you wanna be  
You can be what you wanna be
