Opened my eyes today and I knew there's something
different

Saw you in a brand new way
Like the clouds had somehow lifted

And if yesterday I heard myself saying these words
I would swear it was a lie

I don't know why but suddenly I'm falling
(Na na na na)
(Na na na na na na na)
Was I so blind
I was loving you all the time
Now I'm hopelessly addicted
Helplessly attracted

I'll make a wish this day and I'll send it to the heavens
That we will always stay entwined like this forever
Yeah

And though the world may change 'cause nothing stays
the same
I know we will survive

I don't know why but suddenly I'm falling
(Na na na na)
(Na na na na na na na)
Was I so blind
I was loving you all the time
Now I'm hopelessly addicted
Helplessly attracted

I don't know why but suddenly I'm falling
(Na na na na)
(Na na na na na na na)
Was I so blind
I was loving you all the time
Now I'm hopelessly addicted

Helplessly attracted
(Yeah)

(Yeah)
(Na na na na)
(Na na na na na na na)
Hopelessly addicted

Chemically reacted
I was loving you all the time

Hopelessly addicted
Helplessly attracted
Chemically reacted
Naturally we acted

Yeah
Oh
