Hey  
You're too true to be good and I'm too bad to pretend  
Transparent and transfixed  
I'm uncool

Heartbeat  
You're looking at me  
Must stop  
I'm letting you see  
This isn't how I want to be

I have visions like no other  
So romantic  
You'll discover

I wanna take you for granted  
Drift while you're talking  
Bathe while you're downstairs and chat on the phone  
Fall asleep before bedtime  
Pass in the hallway  
Forget your birthday and shrink all your clothes  
Oh  
(I wanna)

This is every girl's dream  
No milk left for your tea  
Baby's crying louder than me  
(Baby)

Who lost the keys of your car  
Sorry that would be me  
I'd wake up only I'm not asleep

I have daydreams of another  
So romantic  
You'll discover

I wanna take you for granted  
Drift while you're talking  
Bathe while you're downstairs and chat on the phone  
Fall asleep before bedtime

Pass in the hallway  
Forget your birthday and shrink all your clothes  
Oh  
(I wanna)  
(I wanna)

I have visions like no other  
So romantic  
You'll discover

I wanna take you for granted  
Drift while you're talking  
Bathe while you're downstairs and chat on the phone  
Fall asleep before bedtime  
Pass in the hallway  
Forget your birthday and shrink all your clothes

Let me take you for granted  
Drift while you're talking  
Bathe while you're downstairs and chat on the phone  
Fall asleep before bedtime  
Pass in the hallway  
Forget your birthday and shrink all your clothes  
Oh  
(I wanna)  
(I wanna)

Did I say that out loud
