You bored me with your stories
I can't believe that I endured for as long as I did
I'm happy it's over
I'm only sorry that I didn't make the move before you

And when you go I will remember to send a thank you
note to that girl
(Ooh)
(That girl)
I see she's holding you so tender
Well I just wanna say
(Just wanna say)

I never really loved you anyway
No
I didn't love you anyway
I never really loved you anyway
I'm so glad you're moving away

Valentino
I don't think so
You watching MTV while I lie dreaming in an empty bed
And come to think of it I was misled
My flat
My food
My everything and thoughts inside my head

Before you go I must remember to have a quiet word
with that girl
(Ooh)
(That girl)
Does she know you're not a spender
Well I just have to say
(Just wanna say)

I never really loved you anyway
No
I didn't love you anyway
I never really loved you anyway
I'm so happy you moved away

Yeah
I am

Yeah
I am

And when you go I will remember
I must remember to say

I never really loved you anyway
No
I didn't love you anyway
I never really loved you anyway
I never really loved you anyway
No
I didn't love you anyway
Never truly loved you anyway
I'm so happy you're moving away
Yeah
I'm delighted you're moving away
