Corrs, The - I Never Really Loved You Anyway
=====

You bored me with your stories
I cant believe that I endured you for as long as I did
Im happy its over
Im only sorry that I didnt make the move before you
And when you go I will remember
To send a thank you note to that girl (whos that girl)
I see shes holding you so tender
Well I just wanna say (just wanna say)
I never really loved you anyway
No, I didnt love you anyway, yeah
(Never) I never really loved you anyway
Im so glad youre moving away
Valentino, I dont think so
You watching MTV while I lie dreaming in an empty bed
And come to think of it, I was misled
My flat, my food, my everything and thoughts inside
my head
Before you go I must remember
To have a quiet word with that girl (whos that girl)

Does she know youre not a spender
Well I just have to say (just wanna say)
I never really loved you anyway
No, I didnt love you anyway, yeah
(Never) I never really loved you anyway
Im so happy youre moving away (yeah I am)
(Yeah I am)
And when you go I will remember
I must remember to say
I never really loved you anyway
No, I didnt love you anyway, yeah
(Never) I never really loved you anyway
I never really loved you anyway, no never really loved
you anyway
I never really loved you anyway (I never loved you
anyway)
No, I didnt love you anyway (never loved you anyway)
Never truly loved you anyway (I never loved you
anyway)
Im so happy youre moving away
Yeah, Im delighted youre moving away, yeah eh-eh-eh-
eh yeah
