You're irresistible  
You're mine

Don't want you for the weekend  
Don't want you for a day  
Don't need a love divided  
Don't want to feel this way

See I want you to need me  
(The way that I need you)  
Just like I need you  
(The way I see you)  
And I want you to see me like no one before

You're irresistible  
You're natural and physical  
It's indefinable  
It's magical  
Illogical  
Yeah  
So make-you-mine-able  
You're mine

So can't you see I'm tortured  
Oh  
Can't you hear my pain  
If you'd just let me show you  
I'll be your summer rain

Then you'd feel that you want me  
(The way I feel it)  
Just like I want you  
(The way I want you)  
And you know nothing's better  
It's like nothing before

You're irresistible  
You're natural and physical  
It's indefinable  
It's magical  
Illogical

Yeah  
So make-you-mine-able  
You're mine

Now you feel what I'm feeling  
(Dont you feel what I'm feeling)  
Don't you know that its more  
(It can take you places)  
It can take you to places like never before

You're irresistible  
You're natural and physical  
It's indefinable  
It's magical  
Illogical  
So make-you-mine-able  
You're mine

(You're irresistible)  
You're irresistible  
(You're such a natural)  
You're natural and physical  
(Indefinable)  
It's indefinable  
(So illogical)  
It's magical  
Illogical  
(Make-you-mine-able)  
So make-you-mine-able  
You're mine
