(Lifting me)
(I don't know how you do it but it's lifting me)

Another day
Another way he finds a point to pressure me
A silly girl with silly ways
I hear this
I'm pitiful

I'll be that girl
Can you give me the strength to be free

Lifting me
I don't know how you do it but it's lifting me
Keep lifting me
I don't know how you do it but it's lifting me
Yeah

Another night
Another fight
He finds a point to criticise
A frilly dress and frilly ways
I hear this so pitiful

I'll be that girl
Can you give me the strength to be free

Lifting me
I don't know how you do it but it's lifting me
Keep lifting me
I don't know how you do it but it's lifting me
Yeah

You're lifting me
I don't know how you do it but it's lifting me
Keep lifting me
I don't know how you do it but it's lifting me
Yeah

I'll be that girl
(Na na)

Can you give me the strength to be free

Lifting me

I don't know how you do it but it's lifting me

Keep lifting me

I don't know how you do it but it's lifting me

Yeah

You're lifting me

I don't know how you do it but it's lifting me

Keep lifting me

I don't know how you do it but it's lifting me

Yeah
