She's a girl with many quirky ways
She can take you to another place where she'll explore
you
And adore you in her way

Ay
Ay
Ay
Ay
Ay

She won't give you time to hesitate
What she looks for is to fascinate
To unveil you and derail you
Come what may
Come what may

She'll give you love in the milkyway
(Love in a milkyway)
She'll give you love in the milkyway
What you want she'll give you

She has bought a place in Budapest and the clientele
are her hostess
But when she's smiling she's beguiling so they say
what you want
What you need

Love in the milkyway
(Love in the milkyway)
What you want she'll give you
Love in the milkyway
(Love in the milkyway)
She'll give you

They say what you want
Yeah
They say what you need
Come what may
What you want come what may

Love in the milkyway
(Love in the milkyway)
What you want she'll give you
Love in the milkyway
(Love in the milkyway)
She'll give you

Love in the milkyway
(Love in the milkyway)
What you want she'll give you
Love in the milkyway
(Love in the milkyway)
She'll give you
