Wandering  
Waiting for the day to fade away so I can hold you once  
again  
And chase the fears away

Lie with me  
Show me how you feel  
I'm falling for you deeper everyday

But when the night turns over I'll lie with you  
When the morning wakes you I'm there by you  
When the daylight takes you I'll miss you 'til you come  
back home to me  
When I can make you mine  
Oh  
Mine  
Oh  
Yeah

Wanting you  
Every waking moment I'm on fire  
(I'm on fire)  
(I'm on fire)  
Always needing you  
I'm aching for you only I'll never tire

Promise me this is how we'll be  
I'm falling deeper everyday

But when the night turns over I'll lie with you  
When the morning wakes you I'm there by you  
When the daylight takes you I'll miss you 'til you come  
back home to me  
When you come back home to me

I'll break you  
I'll chase you  
You'll find that you can't stand to be away  
Not for a day  
(Not for a day)

And when life defies you I'll be the soul you'll never go  
astray  
And you'll be mine  
Mine  
Mine  
Mine

(Lie with me)  
(Lose reality)  
I'm falling deeper everyday

So when the night turns over I'll lie with you  
When the morning wakes you I'm there for you  
When the daylight takes you I'll miss you 'til you come  
back home to me  
And I can make you mine

When the night turns over I'll lie with you  
When the morning wakes you I'm there by you  
When the daylight takes you I'll miss you 'til you come  
back home to me  
And I can make you mine  
Oh  
Mine  
Oh  
Mine  
Oh  
Oh  
Mine
