Music By: The Corrs Lyrics By: Andrea Corr

I see a home in a quiet place

I see myself in a strong embrace

And i feel protection from the human race

I see a home in a quiet place

It's not parental

I see myself in a strong embrace

And I feel protection from the human race

It's not parental

But it's a fantasy, not a reality

And it's good, no, no good for me, you have no idea

But it's a fantasy, not a reality

And it's good, no, no good for me, you have no idea

That i'm walking through the clouds

That I'm walking through the clouds

When you're looking at me

When you're looking at me

I'm feeling like a child

I'm feeling like a child

Vulnerability

Vulnerability

I am shaking like a leaf if you move beside me

I am shaking like a leaf if you move beside me

And you're all that i see

And you're all that I see

But it's no good for me

But it's no good for me

You have a home You have a home, in a quiet place

You have a home you have a home, in a quiet place

And someone else feels your strong embrace

And someone else feels your strong embrace

She is protected and she needs no chase

She is protected and she needs no chase

And do you love her???  
And do you love her???

You're a mystery, you are the heart of intrigue

You're no good no no good for me  
You're a mystery, you are the heart of intrigue  
You have no idea  
You're no good no no good for me

You have no idea  
That I'm walking through the clouds

When you're looking at me

I'm feeling like a child

Vulnerability  
That i'm walking through the clouds  
I am shaking like a leaf if you move beside me  
When you're looking at me  
And you're all that I see  
I'm feeling like a child  
But it's no good for me  
Vulnerability  
No it's no good for me, no good for me  
I am shaking like a leaf if you move beside me

And you're all that i see  
It's a make-believe, you have no idea  
But it's no good for me  
That I'm walking through the clouds  
No it's no good for me, no good for me  
When you're looking at me

I'm feeling like a child

Vulnerability  
It's a make-believe, you have no idea  
I am shaking like a leaf if you move close to me  
That i'm walking through the clouds  
And you're all that I see  
When you're looking at me  
But it's no good for me  
I'm feeling like a child

Vulnerability  
Through the clouds  
I am shaking like a leaf if you move close to me  
When you're looking at me  
And you're all that i see

I'm feeling like a child  
But it's no good for me  
Vulnerability

I am shaking like a leaf if you move close to me

And you're all that I see  
Through the clouds  
But it's no good for me  
When you're looking at me

I'm feeling like a child  
Fade Out  
Vulnerability  
I am shaking like a leaf if you move close to me  
And you're all that i see  
But it's no good for me

Fade out
