Oh
Oh
Goodnight
Hush now baby
Go to sleep
I've read your bedtime story
Kissed your cheek
And just like Humpty Dumpty
Yeah
The damage is deep
I've taken a tumble but now I roll to my feet
Oh
Baby I'm sure 'cause

Oh
I have such clarity
I'm flying above
You've lost all control
What are you gonna do now

You're on your own
Yes
You are

You're on your own
Yes
You are

Goodbye sugar
Sweetness
Love so deep
This game is truly over
Time to weep
Oh
Baby I'm true 'cause

Oh
I have such clarity
I'm flying above
You've lost all control
What are you gonna do now

You're on your own
Yes
You are
Whoo

You're on your own baby
Yes
You are

Oh
Yeah

Oh
I have such clarity
I'm flying above
I've lost all control
What are you gonna do now

You're on your own baby
Yes
You are

You're on your own
Yes
You are
Yeah
Yeah
Yeah
Yeah
Yeah

Baby
Yes
You are

You're on your own
Yes
You
Yes
You
Yes
You
Yeah
You are

You're on your own
Yes
You are
