You're only just a dreamboat

Sailing in my head

You swim my secret oceans  
You're only just a dreamboat  
Of coral blue and red  
Sailing in my head  
Your smell is incense burning  
You swim my secret oceans  
Your touch is silken yet  
Of coral blue and red  
It reaches through my skin  
Your smell is incense burning  
And moving from within  
Your touch is silken yet  
It clutches at my breast  
It reaches through my skin

And moving from within

It clutches at my breast  
But it's only when i sleep

See you in my dreams  
But it's only when I sleep  
You got me spinning round and round  
See you in my dreams  
Turning upside-down  
You got me spinning round and round  
But i only hear you breathe  
Turning upside-down

But I only hear you breathe  
Somewhere in my sleep

Got me spinning round and round  
Somewhere in my sleep  
Turning upside-down

Got me spinning round and round  
But its only when i sleep  
Turning upside-down

But its only when I sleep

And when i wake from slumber  
And when I wake from slumber  
Your shadow's disappear  
Your shadow's disappear  
Your breath is just a sea mist  
Your breath is just a sea mist  
Surrounding my body  
Surrounding my body  
I'm workin' through the daytime  
I'm workin' through the daytime  
But when it's time to rest  
But when it's time to rest  
I'm lying in my bed  
I'm lying in my bed  
Listening to my breath  
Listening to my breath  
Falling from the edge  
Falling from the edge  
But it's only when i sleep  
But it's only when I sleep

See you in my dreams  
See you in my dreams  
You got me spinning round and round  
You got me spinning round and round  
Turning upside-down  
Turning upside-down  
But I only hear you breathe  
But i only hear you breathe

Somewhere in my sleep  
Somewhere in my sleep  
Got me spinning round and round  
Got me spinning round and round  
Turning upside-down  
Turning upside-down  
But its only when I sleep  
But its only when i sleep  
It's only when I sleep  
It's only when i sleep

Up to the sky

Up to the sky  
Where angels fly  
Where angels fly  
I'll never die  
I'll never die  
Hawaiian High  
Hawaiian high  
In bed I lie  
In bed i lie  
No need to cry  
No need to cry  
My sleeping cry  
My sleeping cry  
Hawaiian High  
Hawaiian high

It's reaching through my skin

Movin' from within  
It's reaching through my skin  
Clutches at my breasts  
Movin' from within  
But it's only when I sleep....  
Clutches at my breasts

But it's only when i sleep....  
See you in my dreams

You got me spinning round and round

Turning upside-down  
See you in my dreams  
But I only hear you breathe  
You got me spinning round and round

Turning upside-down  
Somewhere in my sleep  
But i only hear you breathe  
Got me spinning round and round

Turning upside-down  
Somewhere in my sleep  
But its only when I sleep  
Got me spinning round and round

Turning upside-down  
Up to the sky  
But its only when i sleep  
Where angels fly

I'll never die

Hawaiian High  
Up to the sky  
In bed I lie  
Where angels fly  
No need to cry  
I'll never die  
My sleeping cry  
Hawaiian high  
Hawaiian High  
In bed i lie

No need to cry  
Fade Out  
My sleeping cry  
Hawaiian high

Fade out
