It's late at night

And i'm feeling down
It's late at night, and I'm feeling down
There're couples standing in the streets
There are couples standing on the street
Sharing summer kisses and silly sounds
Sharing summer kisses and silly sounds
So i step inside

Pour a glass of wine
So I step inside, pour a glass of wine
With a full glass and an empty heart
With a full glass and an empty heart
I search for something to occupy my mind
I search for something to occupy my mind

'cause you are in my head
But you are in my head, swimming forever in my head
Swimming forever in my head
Tangled in my dreams, swimming forever
Tangled in my dreams

Swimming forever
So, I listen to the radio (listen to the radio)

And all the songs we used to know (listen to the ...)
So i listen to the radio
So I listen to the radio (listen to the radio)
And all the songs we used to know
Remember where we used to go
So i listen to the radio

Remember where we used to go
Now it's morning light and it's cold outside

Caught up in a distant dream
Now it's morning light
I turn and think that you are by my side
And it's cold outside

Caught up in a distant dream
So I leave my bed and I try to dress
I turn and think that you are by my side
Wondering why my mind plays tricks
So i leave my bed
And fools me into thinking you are there (you are there)
And i try to dress

Wondering why my mind plays tricks
But you're just in my head
And fools me into thinking you are there
Swimming forever in my head

Not lying in my bed
But you're still in my head
Just swimming forever
Just swimming forever in my head

Not lying in my bed
So I listen to the radio (listen to the radio)
Just swimming forever
And all the songs we used to know (listen to the ...)

So I listen to the radio (listen to the radio)
So i listen to the radio
Remember where we used to go
And all the songs we used to know
I listen to the radio (listen to the radio)
So i listen to the radio
All the songs we used to know (listen to the ...)
Remember where we used to go
I listen to the radio (listen to the radio)

Remember how we used to go

(Violin Solo)

You are in my head, swimming forever in my head
You are in my head
Tangled in my dreams, swimming forever (swimming
forever)
Swimming forever
Swimming forever

So i listen to the radio
So I listen to the radio (listen to the radio)
And all the songs we used to know
All the songs we used to know (listen to the ...)
So i listen to the radio
So I listen to the radio (listen to the radio)

Remember where we used to go
Remember where we used to go (listen to the ...)

I listen to the radio (listen to the radio)
I listen to the radio
And all the songs we used to know (listen to the radio)
To all the songs we used to know
I listen to the radio (listen to the radio)
I listen to the radio
To all the songs, all the songs we used to know (listen
to the radio)
To all the songs, all the songs we used to know
Yeeah, all the songs we used to know (listen to the
radio, listen to the ...)

Yeeah, yeah, yeah (listen to the radio)
(listen to the radio)
Yeeah, yeah, yeah (listen to the radio)
All the songs we used to know
(listen to the radio)
