Yeah

We are taking it easy

Bright

Breezy

Yeah

We are living it up just fine

Dandy

Yeah

Yeah

We are caught in a haze on these lazy summer days

And spending all of our nights just laughing

Kissing

Yeah

And it really doesn't matter if we don't eat

And it really doesn't matter if we never sleep

No

It really doesn't matter

Really doesn't matter at all

'Cause we are so young now

We are so young

So young now

And when tommorow comes we'll just do it all again

We are chasing the moon

Just running wild and free

(Running wild and running free)

And we are following through every dream

Every need

(Running free)

(Every dream and need)

And it really doesn't matter if we don't eat

And it really doesn't matter if we get no sleep

No

It really doesn't matter

Really doesn't matter at all

Yeah

'Cause we are so young now

We are so young

So young now

And when tommorow comes we'll just do it all again

Yeah

We are so young now

So young

So young now

And when tommorow comes we'll just do it all again

All again

All again

Yeah

All again

All again

Yeah

Yeah

Yeah

So young now

We are so young

So young now

And when tommorow comes we'll just do it all again

C'mon everybody

Let's see your hands in the air

Whoo

Yeah

We are so young now

We are so young

So young now

Ah

Ah

Ah

Ah

Ah ah

Ah

And when tommorow comes we'll just do it all again
